United States District Court – District of Massachusetts

**If You Made a Co-Payment Through Medicare Part B
For Any of the Bristol-Myers Squibb Drugs Listed
Below, or
~~Made a Percentage Co-Payment in Massachusetts For
Any of the Drugs Listed Below,~~

A Class Action Lawsuit May Affect Your Rights.**

This notice is sent by lawyers for a Class of plaintiffs suing Bristol-Myers Squibb Company. The District Court authorized this Notice. It is not from a lawyer. You are not being sued and you do not have to join this lawsuit against Bristol-Myers Squibb Company unless you want to.

- ® A lawsuit claims that Bristol-Myers Squibb Company and its former subsidiary Oncology Therapeutics Network Corporation (together, "BMS") ~~certain drug companies reported caused~~ trade publications to report false and inflated average wholesale prices ("AWP") for certain types of outpatient cancer drugs. The reported AWP's ~~are~~ were used to set prescription drug prices that ~~were~~ are paid to doctors by under Medicare Part "B", consumers, and insurers. The lawsuit also asks the Court to award money damages to some people who paid ~~or the~~ Medicare Part B beneficiaries who made co-payments for the drugs and who did not have insurance or other reimbursement for their co-payment.
- ® The Court has said that the lawsuit can go forward on behalf of a "Class" or group of people that made the Medicare Part B co-payment only for certain BMS drugs paid for all or part of certain drugs ("Covered Drugs"), namely manufactured and marketed by Defendants AstraZeneca, Bristol-Myers Squibb Group, Johnson & Johnson Group, SmithKline Beecham Corp. and Schering Plough Group. Certain dosages of the following Covered Drugs are covered: Albuterol, Alkeran, Blenoxane, Coumadin, Cytosan, Etopophos, Imitrex, Integrilin, Intron A, Kytril, Lanoxin, Myerlan, Navelbine, Paraplatin, Perphenazine, Procrit, Proventil, Pulmicort, Remicade, Retorivir, Rubex, Taxol, or Temodar, Ventolin, VePesid, Zofran, Zoladex, and Zovirax.
- ® ~~The Court has said there are two different Classes for people who purchased certain drugs between January 1, 1991 and December 31, 2004 and January 1, 1991 and _____, 2006: a Medicare Part B Class, and a Massachusetts Class. See Questions 8 and 10 to see if you are a Class Member in either or both Classes.~~
- ® BMS denies that it has done anything wrong and has moved for "summary judgment" from the Court on the claims against it. If the Court grants judgment in favor of BMS, the case will be over. If not, the case will proceed to trial which is currently scheduled for November __, 2006. A trial will begin on September 25, 2006 to determine whether the

claims in this lawsuit against the Defendants are true.

This Notice explains what your rights and choices are in each Class. ~~You could be a member of both Classes depending upon what Covered Dugs you purchased and if you paid for all or part of them.~~ **You must make a choice now by _____, 2006 whether to join the lawsuit or to exclude yourself regarding your rights in both Classes. Please read all of this Notice carefully.**

A SUMMARY OF YOUR RIGHTS AND CHOICES:

You May:	[REVERSE ORDER OF "EXCLUDE" AND "APPEAR"]	Due Date
Do Nothing	<i>Stay in the lawsuit and wait for the result.</i> By doing nothing, your potential claim rises or falls with that of the class. You keep the possibility of getting money that could come from a trial or a settlement, but if the class loses, you also lose. But you give up the right to sue the Defendants yourself about the claims in the lawsuit.	
Exclude Yourself	<i>Get out of the Class.</i> You can write and ask to get out of the lawsuit. If any money or benefits are awarded later in a trial or settlement, you can't get these benefits, but you keep the right to sue the drug companies <u>on your own at your own expense about the claims in the lawsuit even if the class loses</u> See Questions 12__ and 13__.	<i>Postmarked by <<date>></i>
Appear In The Lawsuit	<i>Participate in the lawsuit on your own or through a lawyer.</i> If you don't exclude yourself, you can appear and speak in the lawsuit on your own or through your own lawyer. (Class Counsel has been appointed to represent you at no cost.) See Questions 15__ and 16__.

BASIC INFORMATION

1. Why did I get this Notice?

A lawsuit has been filed against BMS ~~several drug companies~~ on behalf of Medicare Part B beneficiaries ~~people who made the co-payment and had no insurance or reimbursement for that co-payment on paid for one or more of the drugs – called “Covered Drugs” – see Chart at Question 44~~. You received this Notice because you were enrolled in Medicare Part B ~~you may have purchased or paid for a Covered Drug between either January 1, 1991 and December 31, 2004~~ and may have received treatment with one of the Covered Drugs. ~~or January 1, 1991 and _____, 2006. If so, the lawsuit may affect you.~~

You have legal rights and choices to make before Court either decides in favor of BMS ~~without a trial or holds a trial on the claims against BMS the trial will decide whether the claims being made against the Defendant drug companies on your behalf are true. The Trial begins on September 25, 2006.~~ You must make your choice on or before _____ 2006.

This Notice explains:

- What the lawsuit is about, and why it is a class action lawsuit.
- What the lawsuit claims and what BMS ~~the drug companies~~ says about the claims.
- Who is affected by the lawsuit.
- Who represents you in the lawsuit.
- What your legal rights and choices are
- How and by when you need to act.

2. What is this lawsuit about?

BMS reports to drug industry trade publications a list price at which it sells drugs to wholesalers. ~~Drug companies report the average wholesale cost of each drug they make to trade publications. These trade publications in turn publish apply a mark-up factor to the list price to create each drug's average wholesale price, which is called the drug's AWP. For many years, the published AWP of a drug was used by Medicare Part B to determine how much the Medicare program should pay doctors for the cancer drugs they administered to patients. is used to set the price that consumers making co-payments, Medicare, and insurance companies will pay for the drug.~~ The lawsuit claims that Medicare Part B, and any beneficiaries who made co-payments under the program, private insurers, and consumers paid more than they should have paid for the BMS Covered Drugs because BMS allegedly caused the trade publications to publish false and inflated drug companies reported false and inflated AWP's on these its drugs.

The Court in charge of the lawsuit is the United States District Court for the District of Massachusetts. The name of the lawsuit is *In re: Pharmaceutical Industry Average Wholesale Price Litigation*, Docket No. 01-CV-12257-PBS. The people who sued are called the Plaintiffs. ~~The drug companies they sued are called the Defendants.~~ BMS is the defendant.

~~The lawsuit includes as many as xx Defendants. At this time, the Court has certified the~~

first phase of the lawsuit to begin with a trial of the claims against the following Defendants in the following order:

- ~~AstraZeneca~~ (which includes: ~~AstraZeneca, PLC; AstraZeneca Pharmaceuticals L.P.; and AstraZeneca U.S.~~);
- ~~The Bristol Myers Squibb Group~~ (which includes: ~~Bristol Myers Squibb Co.; Oncology Therapeutics Network Corp.; and Apothecan, Inc.~~);
- ~~The Johnson & Johnson Group~~ (which includes: ~~Johnson & Johnson; Centocor, Inc.; Ortho Biotech; McNeil PPC, Inc.; and Janssen Pharmaceutica Products, L.P.~~);
- ~~SmithKline Beecham Corp.~~, which does business under the name ~~GlaxoSmithKline~~, and
- ~~The Schering Plough Group~~ (which includes ~~Schering Plough Corp. and Warriek Pharmaceuticals Corp.~~).

Whenever you see the word "Defendants" in this Notice, it includes only the companies listed above: ~~AstraZeneca, Bristol Myers Squibb Group, Johnson & Johnson Group, SmithKline Beecham Corp. and the Schering Plough Group.~~

3. Why is this a class action?

In a class action lawsuit, one or more people called "class representatives" sue on behalf of people who have similar claims. The people together are a "class" or "class members." The court must determine if it will allow the lawsuit to proceed as a class action. If it does, a motion for summary judgment or trial of the claims then decides the lawsuit for everyone in the class. The Court in this lawsuit decided it could be a class action because there are thousands of people that are affected, and one lawsuit would be better than many individual lawsuits.

THE CLAIMS IN THE LAWSUIT

4. What does the lawsuit claim?

The lawsuit claims that ~~BMS~~the Defendants violated various state consumer protection laws because they it allegedly provided false and inflated AWPsinformation on certain types of outpatient drugs, including the Covered Drugs to the industry publications. The lawsuit also claims that the Defendants reported inflated AWPswith the knowledge that Medicare Part B, pharmacies, and private insurers rely on used the published reported AWPsto determine the doctors' paymentsprices they will charge or reimburse for those drugs. The lawsuit says that as a result of the inflated AWP, anyone who was (a) a Medicare Part B beneficiary (b) during the Class period; and who (c) made a co-payment that was not reimbursed on (d) one of the BMS Covered Drugpeople paid more than they he or she should have, for outpatient drugs, and The lawsuits asks the Court to award money damages to those people.

5. What does the ~~BMS~~Defendants say about the lawsuit?

BMS says that it always reported true and correct prices on its cancer drugs. BMS also says that Medicare Part B decided to pay doctors based on AWP for a reason: the AWP's

Questions? Call toll free 1-800-000-0000, or visit www.AWPlitigation.net.

allowed the doctors to make a profit over and above the price that they had to pay to buy the drugs from BMS. According to BMS, the alleged AWP "inflation" is really just the profit that Medicare purposely wanted doctors to make so that they would be willing to treat Medicare Part B patients as well as a private patient. The Defendants say they didn't do anything wrong, and that they are not responsible for any of the claims made in the lawsuit.

6. Has the Court decided who is right in the lawsuit?

No. The Court hasn't decided who is right in the lawsuit yet. Much more must occur before the Court holds a trial including notifying Class Members. By deciding now that the lawsuit can continue as a class action, the Court isn't saying who will win.

WHAT ARE THE CLASSES AND WHO ARE CLASS MEMBERS?

To know if you're affected by this lawsuit, you first should determine if you're a member of the Class.

7. ~~How many classes are there?~~

~~The Court has said there are two different Classes for people who purchased certain drugs between January 1, 1991 and December 31, 2004 and January 1, 1991 and _____, 2006: a Medicare Part B Class, and a Massachusetts Class.~~

~~You could be a member of one or both Classes if you paid for a drug that is listed in Question 11 and, you meet the other requirements that are described below. Before you see if you meet these other requirements, you should first see if you took one or more of the Covered Drugs.~~

☐ 87. Am I part of the Medicare Part B Class?

☐ You're a member of the Medicare Part B Class and part of this lawsuit if you are a resident of any state in the U.S. (except the states listed below), and between January 1, 1991 and January 1, 2005, you paid (or are currently obligated to pay) a co-payment under Medicare Part B for any of the BMS Covered Drugs: Blenoxane, Cytosan, Etopophos, Paraplatin, Rubex, Taxol or Vepesid, that are listed under these 4 Defendants: A chart of the BMS Covered Drugs and some of their indications appears below.

☐ AstraZeneca

☐ The Bristol-Myers Squibb Group

☐ The Johnson & Johnson Group, or

☐ SmithKline Beecham Corp.

You are not a member of the Medicare Part B Class if you resided in Alabama, Alaska, Georgia, Iowa, Kentucky, Louisiana, Mississippi, Montana or Virginia at the time you made

Questions? Call toll free 1-800-000-0000, or visit www.AWPlitigation.net.

the co-payment. The Court excluded persons residing in these states from the Medicare Part B Class because those states' consumer protection laws don't allow class actions.

You are also not part of the Medicare Part B Class if:

- (a) You were fully reimbursed for the co-payment you made (for example, your MediGap or other private insurer reimbursed you the full amount); *or*
- (b) Your co-payment was a flat amount instead of a percentage of the total charge (for example, your MediGap or other private insurer paid for all of the co-payment except for a flat amount such as \$10 or \$20 that you had to pay). If your co-payment is a set dollar amount and does not differ with the price of the drug, your co-payment is a flat co-payment and not a percentage co-payment and you are not a member of the class.

98. How do I know if my co-payment was under Medicare Part B?

If you are 65 or older, or are younger than 65 but receive social security benefits because of a disability, you are entitled to Medicare benefits. Medicare Part A is the primary coverage for your health care costs when you are admitted as a patient in a hospital, and enrollment is generally automatic at age 65.

Medicare Part B helps to pay primarily for outpatient services such as care given in your doctor's office, outpatient hospital care, and physical therapy. Medicare Part B also has a limited drug benefit. For drugs that are covered under Part B, Medicare pays 80% of the drug cost, and you are responsible for paying the other 20% (which is your co-payment).

Generally, the drugs covered under Medicare Part B are ones that are administered by your doctor, such as cancer treatment drugs that are given through injections or an IV. But Part B also covers some drugs that are self-administered (ones that you take yourself). BMS manufactured tablet forms of Cytosin and capsule forms of Vepesid. These include some oral anti-cancer drugs in pill form, some pills prescribed to help with nausea or anemia in connection with chemotherapy, and drugs provided with some durable medical equipment, such as inhalation drugs used with a nebulizer (a compressed air machine).

Like Part A, Medicare Part B coverage is also automatic, but you have the option to decline it. You pay a monthly premium for Medicare Part B coverage (which is typically deducted from your social security check). You can tell if you're enrolled in Medicare Part B by looking at your Medicare insurance card. It will say if you are enrolled in Part B.

If you took one of the Covered Drugs when you were an inpatient in the hospital, you did not make a co-payment under Medicare Part B. However, if a Covered Drug was prescribed or administered by your doctor as a part of an outpatient treatment at a clinic, and you are enrolled in Medicare Part B, you would may have been billed a co-payment of 20% of the drug cost if Medicare is your primary payer.

For the vast majority of people enrolled in Medicare, Medicare is the primary payer. Medicare is your secondary payer only if: (a) you or your spouse have continued to work

Questions? Call toll free 1-800-000-0000, or visit www.AWPlitigation.net.

after age 65 and have accepted the employer's health care insurance, or (b) you are a disabled person under 65 and have large group health plan coverage through your current job or the job of a family member. Unless either of these situations applies to you, your co-payment for a Covered Drug would have been under Medicare Part B.

10. Am I part of the Massachusetts Class?

~~Like the Medicare Part B Class, you must have paid a percentage co-payment for a Covered Drug to be part of the Massachusetts. But this Class is limited to people who paid a percentage co-payment for the Covered Drug in the state of Massachusetts. You don't have to have paid for the drug under Medicare Part B—you could have paid a percentage co-payment for the Covered Drug under your private health insurance plan.~~

~~You're a member of the Massachusetts Class and part of this lawsuit if, between January 1, 1991 and _____, 2006:~~

- ~~• You paid (or are currently obligated to pay) for any Covered Drug in the state of Massachusetts.~~

~~You're included in the Massachusetts Class if your payment was a percentage co-payment. You're not included in the Class if you paid a fixed or flat co-payment. A fixed or flat co-payment is one that is the same no matter how much the drug costs. For example, if you pay \$10 for any generic drug, and \$30 for any brand name drug, you have a flat co-pay. A percentage co-pay is one that is based on the cost of the drug (for example, if the drug costs \$50, and your co-payment is 25% of the drug cost, you pay \$12.50).~~

WHAT ARE THE COVERED DRUGS?

11. How can I tell if the drug I took is included as a Covered Drug?

~~Most, but not all, of the Covered Drugs are ones that a doctor administers to you in the form of an injection—either through a shot, an IV, or an implant beneath the skin. A few are drugs that you take yourself, such as the pill forms of Cytosan, VePesid, Alkeran, and Temodar—all cancer therapy drugs. Most of the Covered Drugs are used for the treatment of various types of leukemia and cancers of the breast, ovaries, cervix, prostate, testes, lung, brain, and bone marrow. Other Covered Drugs are used to treat nausea or anemia resulting from cancer therapy, asthma, migraines, heart problems, leukemia, herpes, psychoses, or rheumatoid arthritis.~~

YOUR RIGHTS – GETTING OUT OF THE CLASS ACTION

912. Can I get out of the lawsuit and the Class?

If you don't want money or benefits from the Class (if any are ever awarded) and you want to keep the right to sue the Defendants about the same claims on your own, you must take steps to get out of the Class. This is called excluding yourself. By excluding yourself, you keep the right to file your own lawsuit or join another lawsuit against the Defendants about

Questions? Call toll free 1-800-000-0000, or visit www.AWPlitigation.net.

the claims in this lawsuit.

1043. How do I exclude myself from the Classes?

To exclude yourself, you must send a letter signed by you that includes all of the following:

- Your name, address, and telephone number;
- The name and number of the lawsuit: *In re: Pharmaceutical Industry Average Wholesale Price Litigation*, Docket No. 01-CV-12257-PBS;
- If you have hired your own lawyer, the name, address, and telephone number of your lawyer; and
- A statement that you want to be excluded from the Class.

Your exclusion letter must be mailed first class, postmarked on or before Day, Month, Year, to:

AWP Litigation Administrator
P.O. Box xxx
City, State Zip code

Please remember that you can't exclude yourself by phone or by sending an email.

11.44. If I exclude myself, can I get any money or benefits from the lawsuit?

No. If you exclude yourself from the Class, you will not get money or benefits if any are obtained from a settlement or trial of the lawsuit involving the remaining Defendants. If you exclude yourself, you're no longer part of the Class, and nothing that happens in the lawsuit affects you. But you ~~can~~ may be able to sue or be part of a different lawsuit against the Defendants about the claims in this case.

Questions? Call toll free 1-800-000-0000, or visit www.AWPlitigation.net.

YOUR RIGHTS – APPEARING IN THE LAWSUIT

15.12. Can I appear or speak in this lawsuit?

As long as you don't exclude yourself, you can (but do not have to) participate and speak for yourself in this lawsuit through your own lawyer. This is called making an appearance. Remember that you ~~will~~may have to pay for the lawyer yourself. If you appear in the lawsuit, you are still a member of the Class and can share in any benefits the Class might receive as a result of settlement or a trial.

163. How do I appear in this lawsuit?

If you want your own lawyer instead of Class Counsel to participate or speak for you in this lawsuit, your lawyer must give the Court a paper that is called a Notice of Appearance. The Notice of Appearance should include the name and number of the lawsuit, and state that you wish to enter an appearance in the lawsuit.

The Notice of Appearance must be filed with the Court at the following address:

Clerk of Court
John Joseph Moakley U.S. Courthouse
1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

Your Notice of Appearance should be filed with the Court on or before ~~before the trial of this lawsuit, which is currently scheduled to start on September 25, 2006.~~

IF YOU DO NOTHING

14.47. What happens if I don't do anything at all?

If you do nothing, you stay in the Class and will be represented by Class Counsel. You also keep the possibility of getting money or benefits from the lawsuit or of being unable to ever recover if the Class loses. By staying in the Class, all of the Court's orders in the lawsuit will apply to you, including any decision on the trial. Please remember that staying in the Class means you can't sue the Defendants yourself about any of the claims in this lawsuit.

THE LAWYERS REPRESENTING YOU

1548. Do I have a lawyer in this lawsuit?

Yes. The Court has appointed the following law firms to represent you and other Class Members:

Hagens Berman Sobol Shapiro LLP
www.hagens-berman.com

These lawyers are called Class Counsel. You won't be charged for these lawyers. More information about Class Counsel and their experience is available at the Web sites listed above.

16.19. Who pays the lawyers and how much will they be paid?

If Class Counsel obtains money or benefits for the Class through a settlement or a successful trial, they will ask the Court for payment of attorneys' fees and expenses out of the total amount of money and benefits obtained. The Court must approve the amount of attorneys' fees and expenses. If Class Counsel doesn't obtain any money or benefits for the Class, they won't receive or ask to receive any attorneys' fees or reimbursement of expenses.

17.20. Should I get my own lawyer?

You don't need to hire your own lawyer because Class Counsel works for you. But, if you want your own lawyer to speak for you or appear in Court, you must file a Notice of Appearance (*see* Question 16 to find out how to submit a Notice of Appearance). If you hire a lawyer to appear for you in the lawsuit, you will have to pay the lawyer yourself
